WELCOME TO COMEDY IN THE VINES 2025

It is my pleasure to welcome you to Comedy in the Vines 2025. This event is like no other, bringing the laughs, good vibes and an unforgettable experience together in one picturesque place.

Now in its third year and held for the first time in the stunning Yarra Valley, this festival combines the best of stand-up with the region's world-class food and wine. It's the perfect recipe for a weekend of fun with family and friends.

The Victorian Government is proud to support this fantastic event through our \$38 million Regional Events Fund, which helps attract visitors to our regions and promotes our vibrant tourism sector, in turn supporting local businesses and communities.

By hosting this one-of-a-kind event in the heart of one of Victoria's great wine regions, it also shines a light on the incredible producers, growers and hospitality operators who make up this vibrant destination.

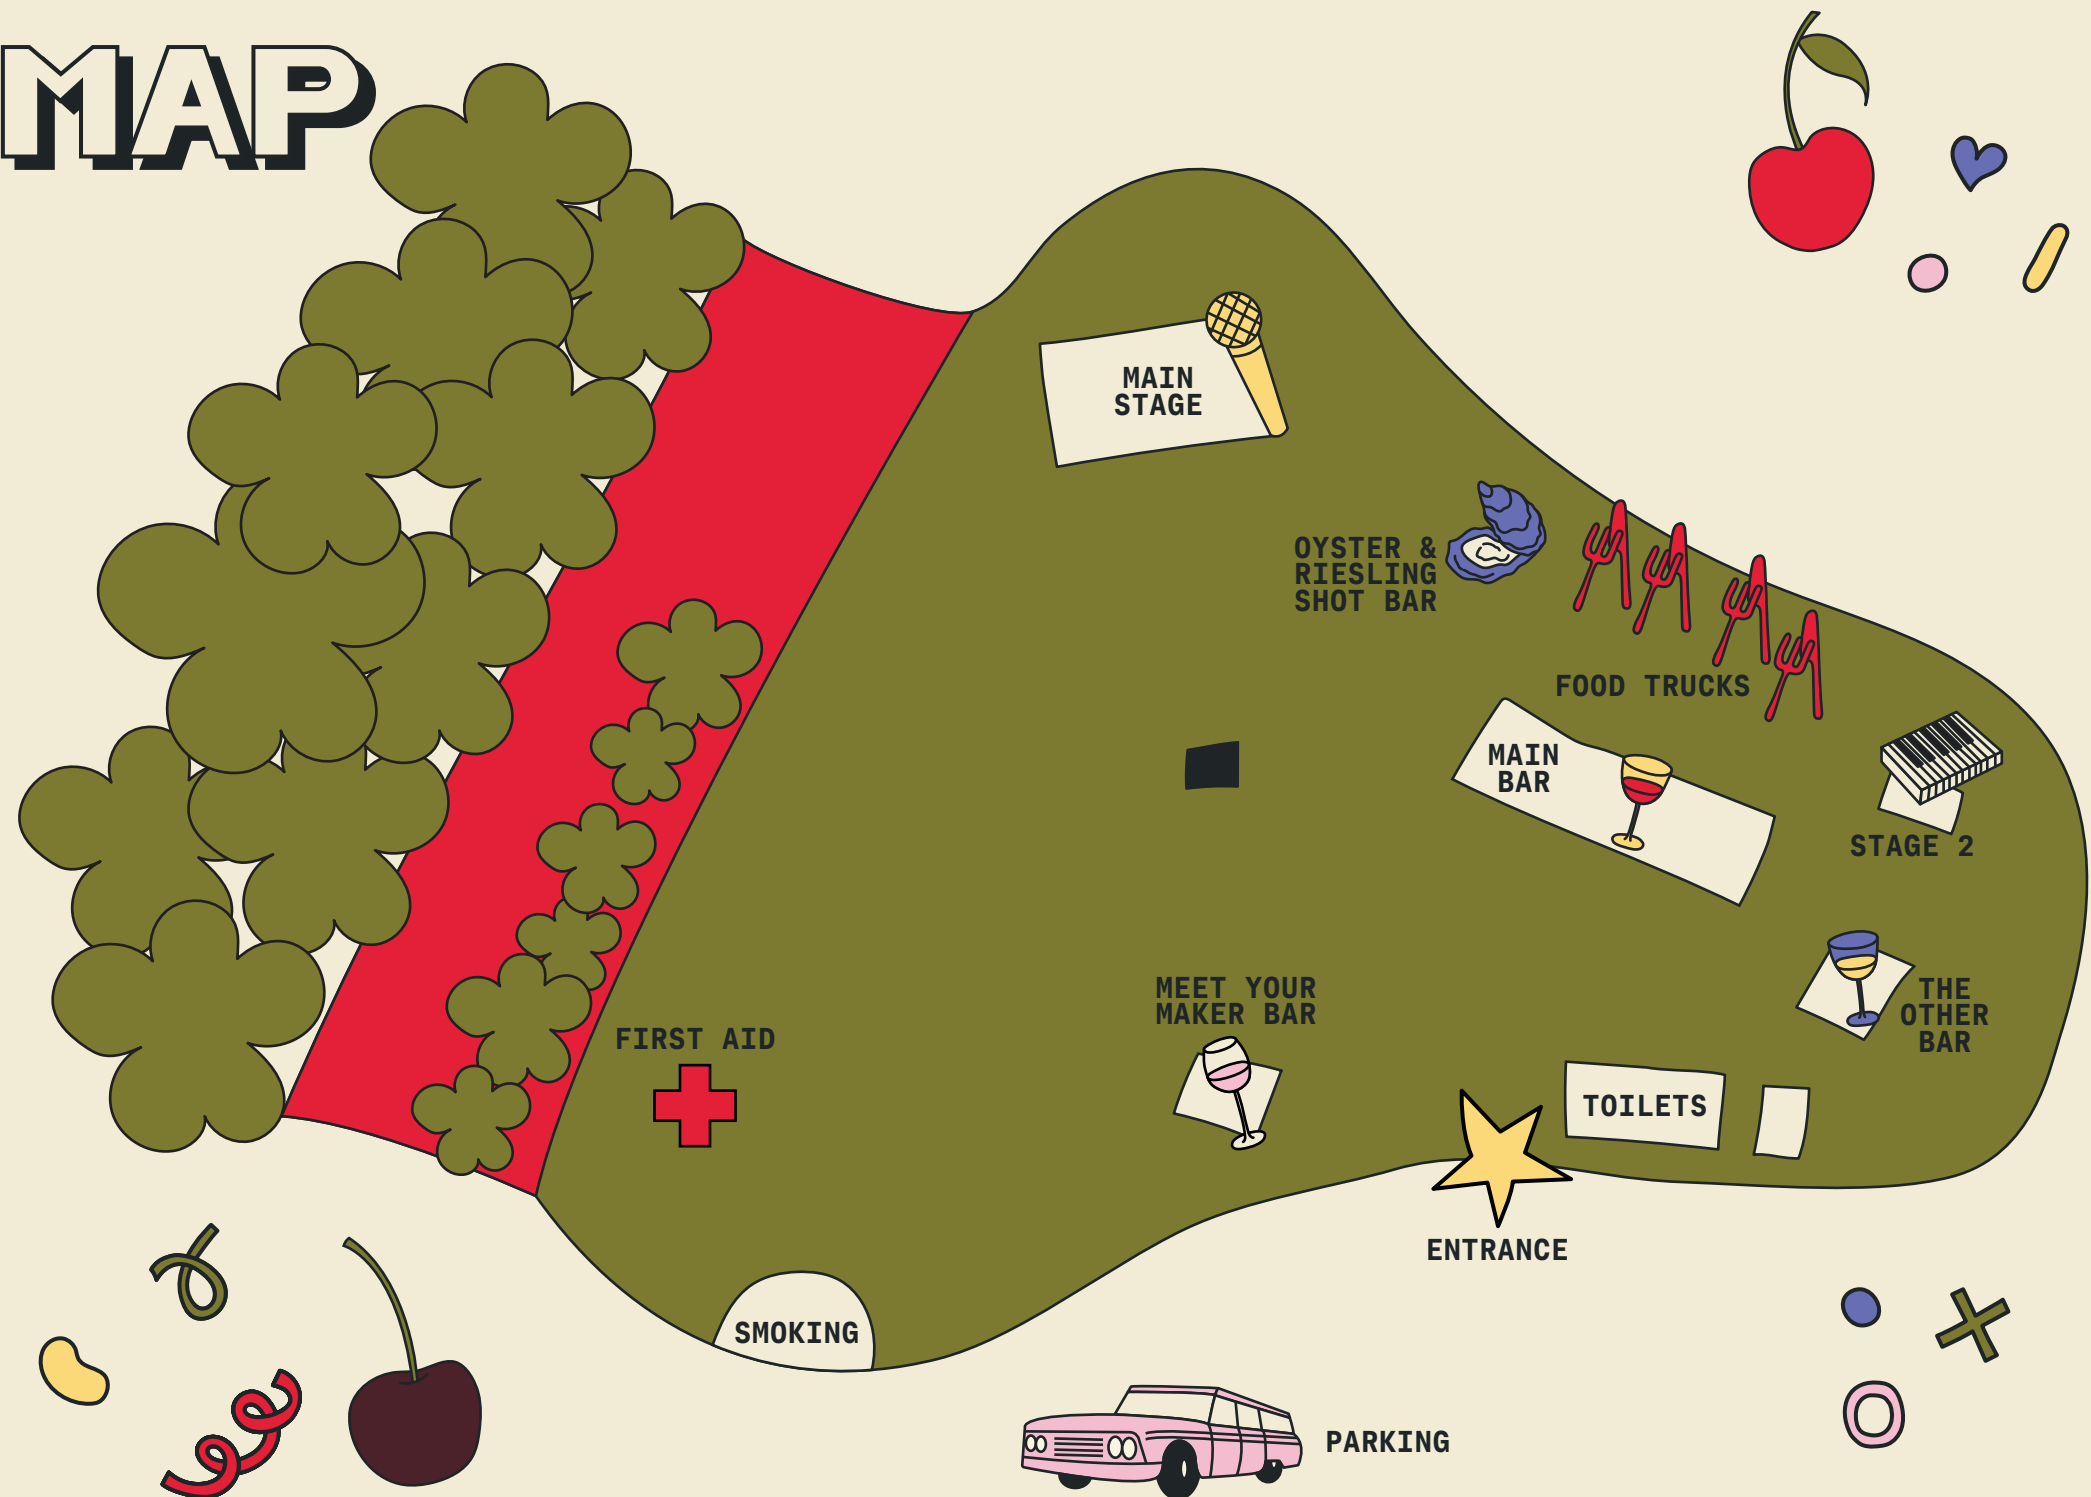

I would like to thank the organisers, performers and sponsors who have worked tirelessly to make this year's program possible – and I invite you to relax, savour the atmosphere and enjoy the magic of comedy in one of the most beautiful settings in the world.

Steve Dimopoulos
Member for Oakleigh
Minister for Tourism, Sport and Major Events
